

## **WORDS OF RUMI . . .**

Let us fall in love again  
and scatter gold dust all over the world.  
Let us become a new spring  
and feel the breeze drift in the heaven's scent.  
Let us dress the earth in green,  
and like the sap of a young tree  
let the grace from within sustain us.  
let us carve gems out of our hearts  
and let them light our path to love.  
The glance of love is crystal clear  
and we are blessed by it's light.
